Bayville, NJ 08721

Why Join BSCA?

Simply put, the bigger we are, the stronger our voice. As owners of waterfront homes, we face many unique factors that can affect our property values. We need to be informed and work together to protect our investment and family enjoyment of our beautiful community. Getting to know and help each other in good times or an emergency is priceless.

Your membership in the association gives needed support and greater power and influence to our collective voice. Our goal is to recruit every resident of Berkeley Shores into BSCA. Every new member brings us closer to our goal.

Please Join us today.

➡ Philanthropic Activities

How We Are Supporting our Troops

- * Annual donation for phone cards so active service can stay in touch with home.
- * Honoring our veterans and active service on Memorial Day activities.

Other Philanthropic Activities

- Fundraising & toy collection for children battling cancer & other serious illnesses.
- Food drive is held early in November prior to Thanksgiving. We distribute food to local food banks.
- Academic scholarships are awarded annually to deserving students.
- Other donations include several local governmental organizations as well as environmental groups.

Berkeley Shores Civic Association

**Improving and promoting the welfare
of our waterfront community.**

*Berkeley Shores
Let The Good Tides Roll!*

Berkeley Shores Homeowners' Civic Association was founded in 1985. The name was changed to Berkeley Shores Civic Association in 2023. We were established to protect and improve our community and environment. The association is managed by a volunteer executive board elected by the association members. Board members meet regularly to address the priority issues, social activities and other events.

- Professional website to keep you informed of the latest update, events and happenings
- Timely Membership Emails
- Several Directors are Commissioners on the BT Waterway Advisory Council
- Real Estate information of Active and Sold homes on our site, a great resource
- Annual Membership & Periodic Meetings
- Community Garage Sale
- Memorial Day Ceremony, Blessing of the Fleet
- Easter Egg Hunt on the Beach
- Group Boat Excursions
- Storm Watch Notifications
- Social Functions

It's all about the waterfront experience!

No one likes to run aground! We have continuously monitored the Amherst inlet and worked with the township to assure open access to the bay.

Environmental/Beautification Projects:

Ongoing Amherst inlet and beach oversight.

Beautification to the entrance of the Berkeley Shores Community (the center Island on Veeder Lane).

Check our website weekly for information about our community and activities.
