

Why Join BSHCA?

As owners of waterfront homes, we face many unique environment and safety issues. We need to be informed and work together to protect our investment and family enjoyment of our beautiful community. We need to get to know each other and help each other in times of trouble and emergency. We must do all we can to assure that our issues are addressed properly and fairly.

Your membership in the association gives needed support and greater power and influence to our collective voice. Simply put, the bigger we are, the louder the voice. Our goal is to recruit every resident of Berkeley Shores into BSHCA. Every new member brings us closer and closer to our goal. Won't you help? **Join us today.**

Philanthropic Activities

An **Annual Food Drive** is held early in November prior to Thanksgiving. We distribute food to local food banks in preparation for packaging of holiday baskets for families in need.

Annual Academic Scholarships are awarded to two deserving students of Berkeley Township.

Other Donations Include several local governmental organizations as well as environmental groups.

The Happy Hookers are a group of BSHCA members and some non members, started in the early 90's. They sew, knit and crochet needed articles for distribution to local nursing homes and children's hospitals during the holiday season.

These actions and any other activities of this nature put forth a charitable face on BSHCA.

Berkeley Shores

BSHCA est. 1985

Berkeley Shores Homeowners' Civic Association homes are located on the beautiful Barnegat Bay. We were founded to protect and improve our community and environment. The association is managed by an executive board elected by the association members. Board members meet monthly to address an agenda that includes normal business, priority issues, social activities and events.
